### eLearning Days

As an approved eLearning school, up to the first five (5) necessary closures due to an emergency may be made up through eLearning. If eLearning is used, the make-up will occur on the day of closure. These are not planned days on the calendar. (This statement required per State Department of Education interpretation of SC Statute 59-1-425.)

### Religious Observances

School officials cooperate with students and employees when they need to be absent to participate in religious observances and notify the school in writing. Students missing school are given an opportunity to make up work without penalty. Employees may use personal days (or vacation if applicable) to observe religious holidays.
